Subject: Lagoon and Wet Cake Results - AltEn

Kelly and Mike,

Tom asked me to pass on the most recent lagoon and wet cake results that we have. I've attached results from lagoon sampling completed by NDEE in November 2019 (northwest aka "west" and northeast aka "north" lagoons). I've also attached results from wet cake sampling completed by NDEE on March 11, 2021. Please let me know if you have any questions or need anything else.

Thanks,

Hillary Stoll | *Engineer*
